## Ponderosa Fire Department Round Up- January 2010

Happy New Year! We hope you have a very safe and prosperous year. Now is the time to make the New Year's resolutions. Here are some suggestions. Check the smoke detector every month, replace the smoke detector if it is over 10 years old; mark your calendar, or better yet, put a reminder in your computer or smart phone. Purchase a fire extinguisher and inspect it regularly to assure the gauge is in the "green". Have a certified company clean your home heating unit. Do not store chemicals/cleaners where kids can reach, and never mix products. Never burn anything other than logs in your fireplace. If you use wood, have the chimney cleaned every few years. Never use gasoline or other flammable liquids as a cleaner. Use ladders safely, never work off the top of a step ladder. Repair electrical problems immediately. Candles – use a large plate, never place near anything, always extinguish when you leave. Never allow yourself to leaving cooking unattended.

## Thank you for recycling your Christmas tree at the WCID 132 water plant!

The WCID 132 Board of Directors invites our neighbors to participate in our annual MERRY MULCHING Christmas Tree Recycling Program.

Strip all the ornaments, garland, tinsel, etc. from your tree (no artificial trees!) and bring it to the grassy, dead-end area outside the water plant's fence (there will be a sign) at 4107 Evening Trail, now until January 10th.

The mulch from the trees will be used throughout our Water Conservation Demonstration & Research Center. By recycling your Christmas tree, you'll help preserve finite water resources, and keep the tree out of the landfill!
