

Ponderosa FD Round Up October 2010

“Smoke Alarms: A Sound You Can Live With!” is the National Fire Protection Association’s official theme for Fire Prevention Week (FPW), October 3-9. NFPA is the official sponsor of FPW for nearly 90 years and

is focusing on smoke alarms when most homes already have at least one. This year’s campaign is designed to educate people about the importance of smoke alarms and encourages everyone to take the steps necessary to update and maintain their home smoke alarm protection.

It is very important to verify your smoke alarms are working so take the time to check them about once per month. The Ponderosa FD recommends having both ionization AND at least one photoelectric type smoke detector in your home as a minimum and at least one on each floor.

Don’t forget that Daylight Savings Time ends on November 7. Change Your Clock – Change Your Smoke Detector Battery. Visit our website at www.ponderosavfd.org

We hope you follow our advice and check your smoke detectors monthly. We realize that we all have hectic lives, but the simple action of verifying your smoke detectors are working can save your life and your family’s. Pick a day of the month and mark your calendars well in advance so you can check your smoke detectors. Smoke Detectors Save Lives.

The bids were opened for the new fire station on Louetta and awarded to LBF Construction in Spring. We are moving forward at a fast pace and you should see a lot of activity during this time period.

The three replacement (new) fire engines are all in service – serving you!

Cypresswood 50 Plus Group

by: Jim Williams, President

The Cypresswood 50 Plus Group's next regularly scheduled meeting will be on **October 12, 2010**, at the East Clubhouse at 7 p.m. Twenty six of our members enjoyed the trip to Gulf Greyhound Track to watch and bet on the dogs. According to what I heard, there was a lot more money on the bus coming home than there was on the way to the track. View pictures from the trip on page 13.

One upcoming trip:

Saturday, October 30, 2010 - Bus leaves at 5:30 p.m. from the West Clubhouse for a ghostly Halloween Broomstick Adventure amidst Houston's underworld crypts and inner sanctums. Appropriate dress for a creepy evening is encouraged, but not mandatory. Cost is \$20 per person. No meal is planned. Return time to the clubhouse is about 10:30-11 p.m. A group size of at least 20 people is a prerequisite for this trip. Cut-off date is October 12th.

Our group has agreed for the third straight year to support the Seafarers Centers at the Port of Houston with their Christmas Box Program. These boxes will need to be received by our group by November 9th. The Christmas boxes are given to seafarers who are in port and away from family during the Christmas holidays. For a suggestion of what to put in the boxes, please contact Anna Williams at 281-353-5079.

We will also help decorate Cypresswood for the Christmas holidays (along with the Cypresswood Garden Club) on November 13th, 9 a.m. We will meet at the East clubhouse. On January 8th at 9 a.m., we will meet at the East clubhouse to take down the decorations. Please contact Jim Williams if you are interested in helping.

Save the date as our annual Christmas dinner will be on December 14th. More details to follow.

Talk up our club and bring your friends to one of our meetings. We have interesting speakers that address topics that relate to our age group. Another positive thing about the Cypresswood 50 Plus Group is that you will meet interesting people who are your own age. So come out and see what we are all about. Any questions, visit our website at <http://50plus.homestead.com/> or call Jim at 281-353-5079.

Pearl Fincher Museum of Fine Arts

The Pearl Fincher Museum of Fine Arts Fall 2010 exhibitions, Now – Sunday, December 19, 2010.

In the main Gallery:

The Grand Tour: British and French Portraits from a Texas Collection.

This exquisite private Texas collection of twenty-two English, French, American and German portraits of the 17th, 18th and 19th centuries includes the works of Anthony Van Dyck, Sir Joshua Reynolds, and William Bouguereau. This exhibition traces the history of portraiture in France and Great Britain over three centuries, from the Grand Manner style of the court of Charles I in England and the French courts, to the smaller, more intimate portraits and figure studies of the mid to late 19th century.

In the Rebecca Cole Gallery:

A View of the World: British Watercolor Artists at Home and Abroad is a wonderful private Texas collection of 19th and 20th century watercolors by British artists. Watercolor painting was an established genre in British art especially for paintings out of doors. The artists in this exhibition painted both ‘at

home’ with views of scenic English countryside, thatched cottages, rural villages and architectural landmarks such as cathedrals. However, British watercolor artists also embraced painting ‘abroad’ using the portable medium of watercolor for studies of the brilliant light of the Middle East, the architecture of the European Continent, and other sights around the world.

The Pearl Fincher Museum of Fine Arts offers free admission daily (a suggested donation of \$3.00 per person is recommended) and is conveniently located at 6815 Cypresswood. The Galleries are open: Tues, Wed & Sat, 10 a.m. - 5 p.m.; Thurs 10 a.m. - 8 p.m.; Fri 10 a.m. - 6 p.m. and Sun 12 - 5 p.m.

To schedule a tour or to learn more about these exhibitions and the Pearl in general, please contact the museum staff at 281-376-6322 or visit our website at www.pearlmafa.org.

The Pearl Fincher Museum of Fine Arts is a 501(c)(3) Not for Profit organization that is solely supported through Grants and private donations from community residents, businesses and friends of the museum.

TAP 2011 (Tigers After Prom) is an EXCLUSIVE – KCHS ONLY - after prom party/lock-in for Seniors and their dates.

The KCHS Prom is on May 21, 2011 and TAP will be held at the KCHS Campus. Whether your Senior attends the Prom or not, TAP is a great way to finish the year with their friends. Preparations are already underway for TAP 2011. We need help from the senior parents now, especially with fundraising activities to keep TAP affordable for all Seniors. How can you help? It is easy; parents can forward their name and contact information to Pam Reemte at preemts11@gmail.com or Lisa Schilhab at rschilhab1@comcast.net. You will then be added to the e-mail list to receive the meeting updates and to be notified of volunteer opportunities and future meetings.

KISD Provides Parent Connection

Parents in the Klein ISD have the opportunity to subscribe to the Parent Connection, an online parent portal. Parents are able to see their child's assignments, grades, and attendance anytime, anywhere. The Parent Connection was implemented during the 2009-2010 school year and met with great success.

Ms. Vicki James, the Klein ISD executive director of student information services, stated that the Parent Connection allows parents to set trigger points for their child's information. As a result, in addition to observing grades at times of their choice, the program sends an e-mail to inform parents when a change occurs that crosses a pre-set threshold. For example, parents may request an e-mail whenever their student's average falls below 80%. Or they may request to be informed when the student is absent.

Parental response, according to Ms. James, was extremely positive last year. Parents have appreciated seeing every grade and assignment. They also like having facts on which to base conversations with their students.

Attention NW Harris County Tri Delta Alumnae

Mark your calendars to join your Tri Delta sisters for our social gathering "Spice it Up—Cooking with Spices" **Tuesday, October 12th at 7:00 pm**.
