On February 20, 2009, a house near the intersection of Cypress Lake and Oxhill was broken into. Entry was gained by breaking the window in the door to access the lock from the inside. Items stolen include a Wii Game system and movies. Law enforcement officers are following potential leads.

Surrounding neighborhoods report thefts from unlocked garages. Please keep garages locked at all times and secure cars on your property and parked in the street. If we all do our part to deter theft, we will make our community a safer place for our families.
